Who we are

Down Syndrome Victoria is the state-wide peak membership organisation representing people with Down syndrome and their families. We are a not-for-profit organisation established in 1978 to provide support, encouragement, information and resources to people with Down syndrome, their families and the broader community.

We take a whole-of-life approach, ensuring consistency of support and information to people with Down syndrome and their families as their needs change over a lifetime. We are there to provide reliable, up-to-date information about Down syndrome and to connect you to services and programs designed to support your family.
